

# Seafreight Pricing Terms & Conditions

## Hellmann Worldwide Logistics NV

- Quotations are based on shipping via Hellmann Worldwide Logistics NV and its worldwide network via shipping lines of our choice, unless otherwise agreed
- All quotations are valid for 30 days unless otherwise specified, subject to change and filing within 14 days of quotation.
- All quotations are based on information provided at the time of the rate request. Unless otherwise specified quotations are only applicable for general cargo and not for valuables, oversized cargo, dangerous cargo, perishables and other goods, not being recognized as general cargo due to the particulars of such goods in terms of its weight, size, exposure to weather conditions, temperature or humidity, inherent vices or any other items, having either an impact on such goods from outside or resulting from such goods having an effect on the goods itself, goods of third parties or the loading unit, or both.
- The mentioned service details (e.g. transit times, sailing dates, eta, etd ) and rate of exchange are purely indications and subject to changes.
- All quotations are subject to all applicable charges, surcharges, fees, rules, regulations and exceptions valid at time of shipment. Such additional surcharges may include, but are not limited to: emergency surcharges, bunker surcharges, currency adjustment factor, peak season surcharges, piracy risk surcharges, war risk premium surcharges, general rate increases, scanning charges. All quotations are subject to space and equipment availability and subject to compliance with all applicable cargo weight restrictions.
- All hazardous cargo is subject to approval at time of booking, subject to inspection at port of loading and subject to additional surcharges.
- For trades subject to the US Shipping Act, no rates or charges shall be binding on Hellmann Worldwide Logistics NV unless included in a filing with the Federal Maritime Commission.
- For FCL shipments the shipper is responsible for the sealing of the container with a high security seal.
- Inland haulage quotations are subject to third party increases valid at time of shipment/arrival, subject to any fuel surcharges valid at time of shipment/arrival, subject to weight limitations and weight distribution requirements in accordance with the local and national rules and regulations of the country/countries of transit, subject to

availability of inland carrier at time of booking/arrival.

- Invoicing will take place in EURO and payment should be effected according to the general payment terms and conditions, unless otherwise agreed upon. Import duties and taxes are always immediately due.
- All our services are based on the 'Algemene Voorwaarden der Expeditie van België (2005)'. A copy of these conditions can be provided upon request.
- Hellmann Worldwide Logistics NV acts solely in name and on behalf of Pelorus Ocean Line Ltd, Hong Kong, whether included in any Bill of Lading or Sea Waybill or not.
